MISSOURI HEART INSTITUTE FOUNDATION PRESENTS

14th Annual Heart of Mid-Missouri Golf Classic

Help Support the Missouri Heart Institute
Foundation College Scholarship Fund
and the Fight Against Heart Disease

Monday, June 9, 2008

Dear Golfer/Supporter,

As Chairman of the Missouri Heart Institute Foundation Board of Directors, I am pleased to extend an invitation to join us for the Heart of Mid-Missouri Golf Classic.

The Missouri Heart Institute Foundation is a charitable organization founded more than two decades ago to promote public education and prevention of heart disease. The funds generated by this tournament are used solely for the purpose of funding scholarships for area high school students wishing to pursue a career in medicine, nursing, or other healthcare related fields.

Now in our fourteenth year, the tournament has enabled the Foundation to continue expanding the number of scholarships available to area high school students. This scholarship is now being offered to thirty surrounding Mid-Missouri schools.

Please make time in your schedule to support these fine programs and join us on June 9th. We look forward to seeing you on the course.

Sincerely,

Gerald V. Cupp, Chairman
Missouri Heart Institute Foundation
Board of Directors
